Objectives

Was this objective met? Analyze Nichols's view of gender.

- ☐ Strongly agree
- ☐ Agree
- ☐ Neither agree nor disagree
- ☐ Disagree
- ☐ Strongly disagree

Was this objective met? Investigate Malpas's approach to working with gender-diverse children and their parents.

- ☐ Strongly agree
- ☐ Agree
- ☐ Neither agree nor disagree
- ☐ Disagree
- ☐ Strongly disagree

Was this objective met? Appraise Kottler's perspective on the changes occurring in therapy practice today.

- ☐ Strongly agree
- ☐ Agree
- ☐ Neither agree nor disagree
- ☐ Disagree
- ☐ Strongly disagree

Post Test

In Consultation - Page 17) People can change their emotional response to a disturbing internal image by:

- ☐ Changing its size and location
- ☐ Making it dim, rather than bright
- ☐ Making it flat, rather than 3-D
- ☐ All of the above

The Great Escape- Page 20) In the DSM-5, gender variance is normal,:

- ☐ And gender dysphoria emphasizes distress as the salient feature of the diagnosis
- ☐ But only applies to adults
- ☐ But only applies to children under 10
- ☐ None of the above

The Great Escape- Page 20) In the early 1990s, an important factor in transgender people finding an affirming tribe was:

- ☐ Advancements in medical treatment
- ☐ New therapeutic interventions
- ☐ The Internet
- ☐ The study of gender in starfish

The Great Escape- Page 20) Biologists are now suggesting that:

- ☐ Gender is binary
- ☐ Gender exists on a continuum
- ☐ Gender fluidity is a false construct
- ☐ None of the above

The Great Escape- Page 20) If you see transgender clients:

- ☐ Don't assume their gender choices are problematic
- ☐ Don't look for "reasons" why they're gender variant
- ☐ Don't assume that gender issues are relevant to therapy
- ☐ All of the above

The Transgender Journey- Page 28) Malpas initially had separate sessions with Lila and her parents because it allowed him to:	<input type="radio"/> Adopt a pace and language that was sensitive to everyone <input type="radio"/> Keep Lila's gender identity a secret <input type="radio"/> Convince the parents to switch Lila's school <input type="radio"/> None of the above
The Transgender Journey- Page 28) Cisgender applies to those whose biological sex is aligned with their:	<input type="radio"/> Body language <input type="radio"/> Sexual orientation <input type="radio"/> Gender identity <input type="radio"/> None of the above
The Transgender Journey- Page 28) Lila belongs to a group of children referred to as:	<input type="radio"/> Persisters <input type="radio"/> Desisters <input type="radio"/> Detractors <input type="radio"/> Retractors
The Transgender Journey- Page 28) Research shows that children as young as 3 or 4 can be clear about their sense of themselves as a boy or a girl.	<input type="radio"/> True <input type="radio"/> False
The Transgender Journey- Page 28) Malpas says the essential elements of healing work with parents are:	<input type="radio"/> Follow your child's lead <input type="radio"/> There's no pathology here <input type="radio"/> We need each other <input type="radio"/> All of the above
Seismic Change Becomes the Norm- Page 40) Kottler believes that in the therapeutic community:	<input type="radio"/> There's no innovation occurring <input type="radio"/> Solo practitioners have increasing autonomy <input type="radio"/> There's more competition than cooperation among professions <input type="radio"/> All of the above
Case Study- Page 53) Honigsfeld believes that some of his most important work relies on:	<input type="radio"/> Technology-based interventions <input type="radio"/> The values of compassion, patience, and common sense <input type="radio"/> Homework assignments <input type="radio"/> Helping parents improve their marriage
Point of View- Page 59) People can change their emotional response to a disturbing internal image by:	<input type="radio"/> True <input type="radio"/> False
Point of View- Page 59) When Using virtual reality in prolonged exposure therapy clients are hooked up to heart-rate monitors in many cases.	<input type="radio"/> True <input type="radio"/> False
Point of View- Page 59) Rizzo believes that virtual reality:	<input type="radio"/> Should only be used to treat PTSD <input type="radio"/> Will put therapists out of a job <input type="radio"/> Is a tool to help clinicians <input type="radio"/> All of the above
Bookmarks- Page 63) In his book, O'Mara concludes that torture:	<input type="radio"/> Should be replaced by brain scans

-
- ☐ Negatively affects the brain system concerned with memory
-
- ☐ Usually yields accurate information
-
- ☐ Has no lasting effects on interrogators
-
